REETINGS, CLASS OF '54  
*I salute and congratulate you.*

When you receive this yearbook, one of those memorable days which marks a significant turning point in the life and hopes of youth will be near. Your graduation from Madison High School is both an end and a beginning—a summary and a prophecy.

Your diploma gathers up and summarizes many of the most precious things of your life. As you pass from Alma Mater, voices out of the past and voices of the living will call you to make the most of yourselves—to give back to the people of this community and country the best that is in you to give.

The Hebrews discovered the sovereignty of one God; the Greeks made us aware of man as a person of noble proportions and creative capacities; and modern man with his microscope, test tube, and telescope uncovered the world of nature, matter, and things. As you continue to grow and educate yourselves, you will add to man's advancement.

Toward the end of this beginning of heritage and hope, your school gets ready to send you forth with resilient bodies, skills of hand and brain, insights of mind and spirit, to do your part in homes, schools, offices, and the work places of the world.

However far you may go up the highways, seaways, and airways of the world, the Madison High School will reach out across the years and miles to hold you tight to her great heart.

*Best wishes & much happiness to one of the cutest girls in Madison High School.

## Officers

In September, 1950, about 90 timid but enthusiastic freshmen were enrolled at Madison High School. Joan Gatling was elected president of the class.

In our Sophomore year, we were more in the swing of things, and gave the Seniors a bang-up wiener roast. Carolyn Reynolds was president of the class that year.

Our Junior year was tops, for we gave our Junior-Senior Banquet on the Roof Garden of the Robert E. Lee Hotel. T. L. Knight was elected president of the class.

This year, with only half of those who began as Freshmen with us, we are accomplishing the big projects of the year, the annual and the Senior play, with Carolyn Reynolds as our president.

The Wildcats suffered their second straight year of play under 500 ball. However, toward the end of the season, the "Cat" began to show definite improvement. With the experience gained and the boys coming up from the junior team, it is believed that Madison will be tough to handle by all concerned next year.

#### WHAT F.H.A. MEANS TO ME

F.H.A. is a very worthwhile organization. It reaches to all corners of the earth, and yet draws each member closer to her own home and family by demonstrating better ways to live and enabling her to improve her family's way of living. Through associations with other members, and chapter programs and activities, a girl learns new and better ideas which help her in her own life.

PHILLIP VAUGHN, *President*

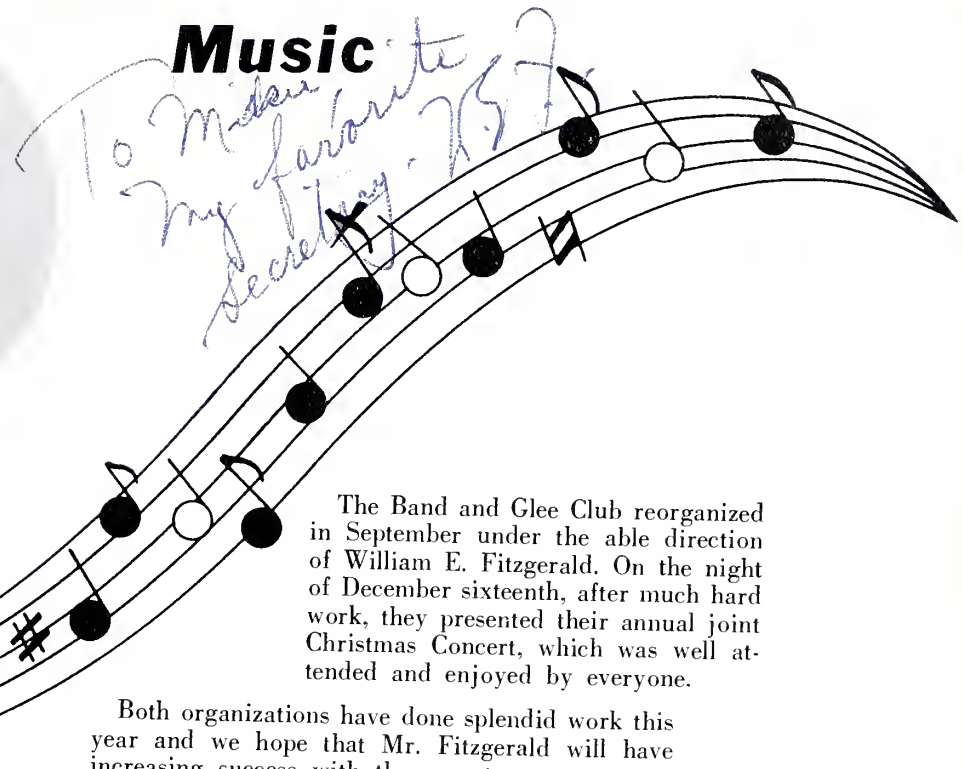

In October, the agriculture group attended the State Fair in Raleigh, N. C.

A chapel program was presented by the group on Parliamentary Procedure, and later, they attended Parliamentary Procedure and Tool Identification Contests at Wentworth.

# Music

WILLIAM E. FITZGERALD  
*Director*

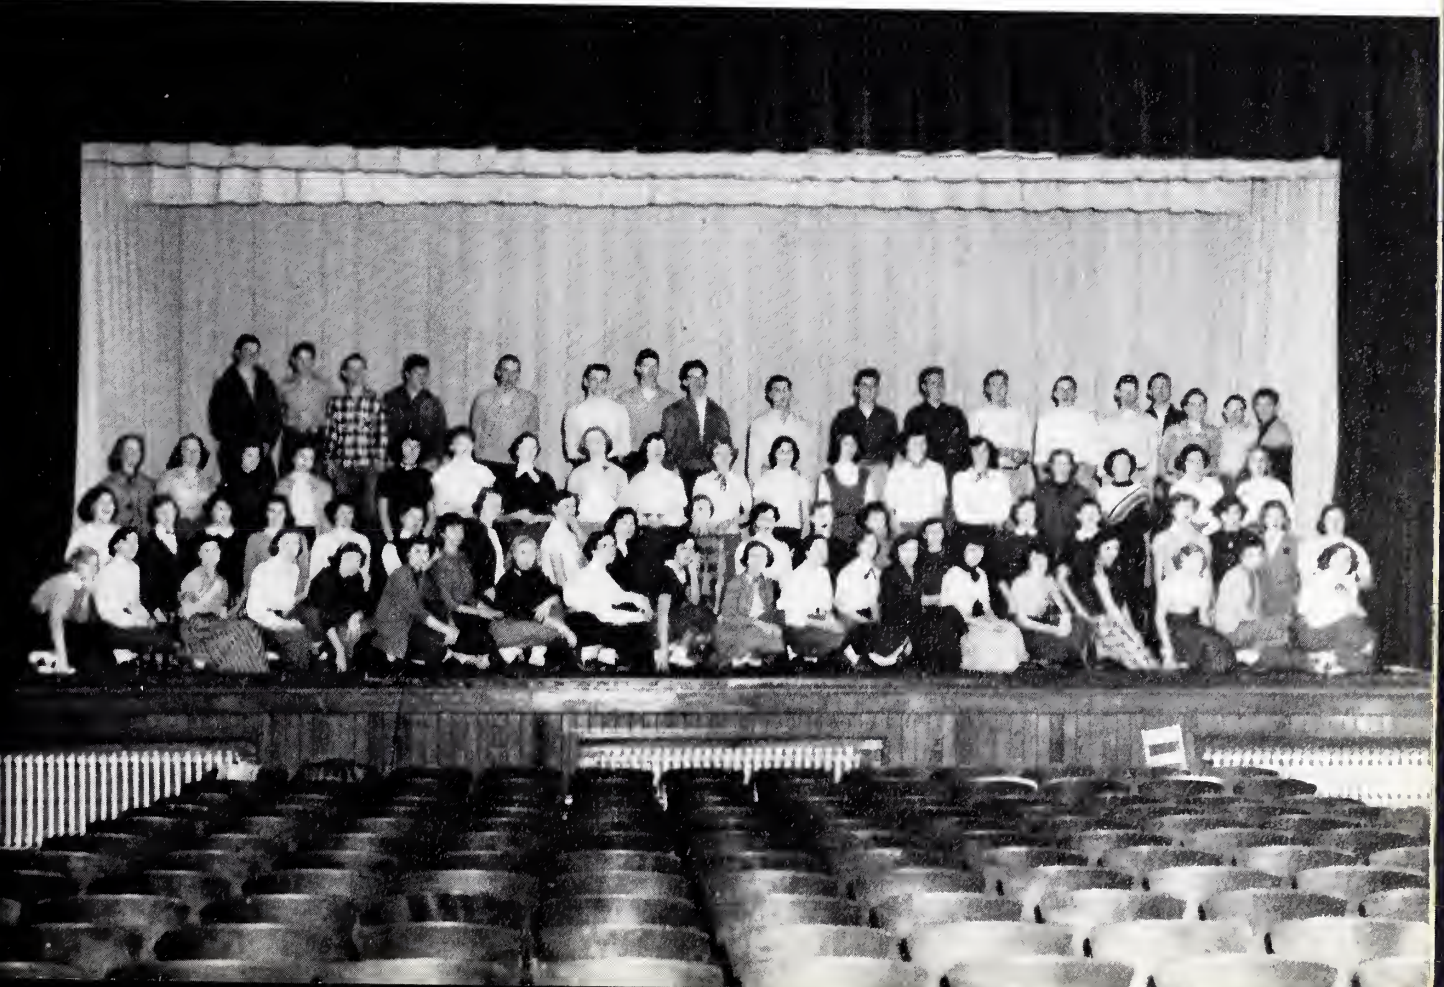

The Band and Glee Club reorganized in September under the able direction of William E. Fitzgerald. On the night of December sixteenth, after much hard work, they presented their annual joint Christmas Concert, which was well attended and enjoyed by everyone.

Both organizations have done splendid work this year and we hope that Mr. Fitzgerald will have increasing success with them next year.

Mickey,  
It's been lots of fun  
and a pleasure to know  
you these past three  
years. My only regret  
is I wish it would  
had been longer. But we  
have a lot of memories and  
I'll never forget you - the  
things we went through  
together, good and bad (school)  
I wish you all the luck in the  
world in the future and I  
hope you will be very  
happy.

Love,  
Louise
